Inspection agencies will charge seventy five dollars (\$75.00) for the inspection of each conveyance. The inspector will leave a copy of each inspection report with the owner/user.

Violation letters will be sent from this office requiring corrections within thirty (30) days of the inspection. No “Certificate of Operation” can be sent until all corrections are complete and the invoice is paid. Please have the inspector provide all special billing information on the report.

As of December 21, 2004, all elevators must have an inspection and a current certificate of operation issued by this department. The certificate must be posted in the elevator or conveyance. Owners/Users not in compliance may be subject to all penalties set forth by the Elevator Safety Review Board.
